East Fork of the Virgin River System  
Mt. Carmel, Utah

Dear Mr. Gardner:

Re: East Fork Virgin River  
Account No's: 1 & 11

Attached are four checks covering your salary and expenses for the last half of April and all of May, June & July.

Also attached is a list of delinquent water assessments for which it is hoped that you may be able to contact such users to submit their payments inasmuch as funds for your Distribution System are now depleted.

It is not the policy of this office to create a hardship, nevertheless, legal action by the Attorney-General of Utah will be initiated for collection unless payment is received before August 31, 1960.

Very truly yours,

Frank Reese  
Business Manager
